Holy Sabbath

By: [unclear]

Music: [unclear] • **Tune:** [unclear] • **Meter:** [unclear]

Verse 1

The pure, unfailing Word of God
Foundation ever sure
Its statutes, precepts and its laws,
Are written for the pure.

Verse 2

In paradise where man was led,
The word will safely guide;
And if he should this law evade,
His steps would surely slide.

Verse 3

The Holy Sabbath here was made,
Which God did sanctify;
And if we would our God obey,
We must with this comply.

Verse 4

In after times, when Moses liv'd,
This law was ratified
And all who keep this holy word,
May know they're sanctified.

Verse 5

Still farther down the stream of time,
We hear the prophet say
Hearken, fear not reproach nor shame,
Who keep the seventh day.

Verse 6

For thus the Mighty God hath said
To those who truly rest,
Thou shalt on the high places ride,
And feed among the blest.

Verse 7

Here too are they who patient are,
And keep commandments pure,
They'll in the Holy City share,
If to the end endure.

Verse 8

Then let us still pursue this road,
Till we fair Canaan gain,
Then we shall walk the street of gold,
And in that rest remain.

Themes: Sabbath, Ten Commandments, sanctification, obedience
